- Studying programming fundamentals, frontend development, React and full-stack application development.

Cisco Networking Academy: Verified badges include Introduction to Cybersecurity, Networking Basics and IT Customer Support Basics. CompTIA A+: studying; Security+: planned.

WORK EXPERIENCE

Receptionist (On-call) | Randstad / Schneider Electric | August 2025 - Present

- Managed visitor registration, enquiries, internal contacts and digital booking/information workflows in an international business environment.
- Used Microsoft 365 and provided accurate information and professional service to staff and visitors.

Support Worker (LSS) | Lund, Sweden | May 2022 - October 2026

- Documented support activities using Lifecare and digital planning tools while following confidentiality procedures.
- Coordinated with colleagues, communicated clearly and addressed day-to-day problems methodically.

Switchboard Operator & Driver | SM Trafik / Vellinge Taxi | 2011 - 2022

- Handled incoming calls, taxi bookings, customer enquiries and communication with drivers using digital booking and dispatch systems.
- Managed time-sensitive changes and also worked as a driver.

Station Assistant | Menzies Aviation, Gothenburg Landvetter Airport | 2016 - 2017

- Registered, tracked and followed up baggage cases using WorldTracer; communicated with passengers and colleagues.
- Maintained accurate digital records and handled customer information with discretion.

Market Research Interviewer - Insurance | CitiSolutions | 2007 - 2010

- Conducted market research surveys relating to insurance and collected responses from participants.
- Recorded survey information accurately and maintained research records.

Personal Banker | Barclays Bank / American Express | 2003 - 2007

- Opened personal bank accounts, assisted customers with loan applications and responded to banking enquiries.
- Maintained accurate customer information and followed relevant financial-services procedures.
